Training Program on “Certified Quality Auditor Certification Preparation” (ASQ ConnEx Course)

This course is based on the Quality Auditor Body of Knowledge. By teaching you to prepare, perform, report, and follow up audit results, the course prepares you to take the Certified Quality Auditor (CQA) exam.

The Certified Quality Auditor Refresher training, developed by the ASQ's Audit Division, is designed and taught to help experienced auditors become better prepared for the CQA exam. It is not for beginners. The course is based on CQA Body of Knowledge. Students will receive access to the digital course content.

Learning Objectives:

- Understand the content covered by the five main domains in the CQA Body of Knowledge.
- Become familiar with questions similar to those within the CQA exam.

Training Program on “Certified Quality Auditor Certification Preparation” (ASQ ConnEx Course)

Prerequisites:

This class is designed for experienced auditors and others seeking preparation for taking the CQA exam. It is not intended as a beginner's basic auditing class.

Course Outline:

- I. Auditing Fundamentals
- II. Audit Process
- III. Auditor Competencies
- IV. Audit Program Management and Business Applications
- V. Quality Tools and Techniques

Who Should Attend:

Experienced auditors and anyone who is planning to sit for Certified Quality Auditor exam will benefit from this program. Financial auditors, auditors of safety programs, and others would also benefit from this program.

Note: Taking this course does not constitute, nor imply, the successful passing of the ASQ Certified Quality Auditor examination.

Training Program on “Certified Quality Auditor Certification Preparation” (ASQ ConnEx Course)
